Travel – extensive details regarding travel can be found on <http://www.armadahouse.co.uk/finding-us/>

Stands in the exhibition area are paid for by pharmaceutical company exhibitors. This income does not fund the entire costs of the day, but it does help us to keep the delegate price low as part of our commitment to providing affordable eczema management training to healthcare professionals with a view to optimising patient care. We do not recommend or endorse any specific product or treatment.
