Travel to venue: By train - Euston and Kings Cross mainline stations are 10-15 mins walk away. By tube - Great Portland Street tube Station is opposite the venue, Warren Street and Regent's Park tube stations are a 5 min walk away. By bus – the venue is situated at the north end of Great Portland Street and is accessible by numerous bus routes, please see the venue's website www.pccc.co.uk for details.

Stands in the exhibition area are paid for by pharmaceutical company exhibitors. This income does not fund the entire costs of the day, but it does help us to keep the delegate price low as part of our commitment to providing affordable eczema management training to healthcare professionals with a view to optimising patient care. We do not recommend or endorse any specific product or treatment.
